LINCOLN CORNER

**CONNECTING
PAKISTANIS TO AMERICA!**

SARGODHA UNIVERSITY

Pathway to Progress

ABOUT LINCOLN CORNER

Lincoln Corner is a collaborative project between the United States Consulate General Lahore and Sargodha University. It was established in December 2013. Currently, there are 18 Lincoln Corners open across Pakistan. Our Lincoln Corner is one of the largest corners in the jurisdiction of US Consulate General Lahore. It promotes experiential and interactive learning through its diverse programming, which makes it to the 'Golden Category' of the American Spaces around the world.

Our Lincoln Corner is multi-media resource center, where visitors can connect, practice their English language, and learn about America in many different ways. It aims to strengthen people to people connection between the US and Pakistan through a better understanding of cultural values.

FOCUS AREAS

Several services and facilities are being offered at Sargodha University's Lincoln Corner to accomplish the objectives of following major themes:

English Language Learning

State Exchange Alumni

Cultural Affairs

Education USA

eLibrary USA

SERVICES WE OFFER

English Learning Sessions

Through Interactive and experiential learning, we are developing English learning skills in students.

Summer School

Our Lincoln Corner offers different modules on technology, social sciences, communications, and arts.

Education USA

Hundreds of participants including students, graduates and faculty members take free GRE mock test.

Public Diplomacy

Lincoln Corner is a venue for interactions with US Diplomats both physically and virtually. It provides current, accurate, and authentic information about the United States – its people, culture, history, policies, government, and institutions.

eLibrary USA

eLibraryUSA is free digital resource which develops horizons of research and provide access to current and reliable information about America through books, magazines, movies, and more.

Capacity Building Approach

Capacity building follows an approach in which personality is focused at first place, followed by academic and professional skills deliverance.

STEM Education

Lincoln Corner promotes STEM (Science, Technology, Engineering and Mathematics) education and learning through its sessions.

Entrepreneurship Workshops

Participants from different faculties join in a complete package of business incubation workshop. It aims to empower women with entrepreneur skills.

Student Mentorship

Through this program, students develop leadership skills; learn office management techniques, the confidence of public dealing, and public speaking.
