MESSAGE FROM THE VICE CHANCELLOR

Dr Ishtiaq Ahmad

It has indeed been a great privilege for me to work for the University of Sargodha and steer its wide-ranging process of progressive reforms since 2017. Our reforms agenda pertains to quality teaching, productive research, knowledge sharing, and institutional collaborations, which are conducive for innovative academic learning and simultaneously relevant to the socio economic needs of the country.

We seek to equip our graduates with advanced knowledge, critical thinking and professional skills suitable for a highly competitive national and global job market. Hence, we have prioritised the provision of quality education to students by consolidating our academic programs, reducing affiliated institutions, developing the faculty and updating the curriculum.

Moreover, since the University has a niche in languages and agricultural sciences, we have forged close international linkages in these two areas with leading institutions in China, including the establishment of Pakistan's fifth Confucius Institute. Our research on local, social, and economic issues is framed on the UN Sustainable Development Goals.

We are also cognizant of the urgent need for practical learning and skilled manpower in a nation with significant youth bulge. Hence, besides establishing vibrant centres for career development, business incubation and freelance entrepreneurship, we offer a host of paid internships to accomplished students and graduates, and are also actively steering the HEC's Associate Degree Program at the undergraduate level.

Our reforms agenda has already enabled Sargodha University to qualify for major international rankings. Through our progressive strategy, we shall strive to further consolidate its global academic profile in the future.

WELCOME TO UNIVERSITY OF SARGODHA

We are proud to introduce the University of Sargodha as a major public sector University in the province of Punjab, Pakistan. It started its journey in 1929 with the establishment of De'Montmorency College, later renamed as Government College, which was awarded the University Charter in 2002.

With its main campus located in Sargodha city, Agriculture college and Medical college in its suburbs, along with one sub-campus in Bhakkar, the University presently has around 24,000 students and 800 faculty members, including 300 PhDs, in 21 departments, three institutes, one school, and five constituent colleges that come under the seven faculties of Social Sciences, Arts and Humanities, Sciences, Agriculture, Pharmacy, Medical and Health Sciences, Engineering and Technology. They are assisted by around 1,200 administrative staff. The University also has 260 affiliated government and private colleges spread across the province.

Sargodha University offers modern teaching and research facilities, including well-equipped classrooms, laboratories, and a vast collection of library material with online access to books and journals. Over a dozen hostels accommodate all female students and a limited number of male students. With an affordable fee structure, the University provides a host of scholarships, internships and business opportunities to the needy and meritorious students. While the Internship Program and Career Development Centre prepare the students for competitive future careers through hands-on training, two E-Rozgaar centres located at the main campus and sub-campus enable them to earn through online freelance entrepreneurship. The Incubation Centre offers the creative students with an opportunity to start productive careers before graduation.

Its main campus, located in the heart of Sargodha city, is green and serene. The University prioritizes the promotion of critical learning and scholarship among its students and young faculty. Each semester, it remains abuzz with a variety of scholarly, co-curricular and sports activities, including seminars and conferences, sports gala and literary festival. The University also runs an FM radio station, offering infotainment and education to students and people of the region.

To ensure productive research, the University has established vibrant institutions, including the Office of Research, Innovation and Commercialization, and Quality Enhancement Cell, which has helped register several international patents for faculty in sciences and agriculture, besides funding research projects and publications and linking academic research with the local economy. The University runs a Citrus Nursery and produces its own mineral water, KhusAab, for faculty, staff and students. It also has a strong tradition of community service, with its Medical Complex and Research Centre offering telemedicine, OPD, pharmacy and diagnostic services to university students and staff as well as the people of the city.

Sargodha University has academic exchange agreements with major Chinese Agriculture Universities, including Lanzhou University, and South China Agriculture University. It also has collaborations with the UN Food and Agriculture Organization, Worldwide Fund for Nature and several other prominent national and institutions of advanced research and education. In 2019, Pakistan's fifth Confucius Institute was established at the University in collaboration with Henan Normal University in China.

The University has an ambitious agenda of quality-centric academic growth in the foreseeable future. It ultimately aims to become a hub of higher education in Pakistan and South Asia.

THE CITY OF EAGLES

Sargodha holds great significance due to its strategic location.

Sargodha means pond of "Godha" or Adobe of the Fighter. Hence, it is not a mere coincidence that the city has made a name for itself for fighting valiantly against the Indian Air Force during the wars of 1965 and 1971, thereby winning the title of the City of Eagles.

CALIFORNIA OF PAKISTAN

Sargodha region is popularly known as the California of Pakistan because of being a hub of cultivation and production of a delicious variety of citrus called *Kinno*.

PAF BASE MUSHAF

Sargodha air base hosts the Headquarters of the Central Air Command.

COMPANY BAGH

A beautiful garden with grassy fields filled with flowers and trees, Jinnah Hall is a historic building located inside the Company Bagh.

KIRANA HILLS

Kirana Hills, or the black mountains, have sacred roots in ancient Hindu mythology.

SETTING NEW TRENDS IN HIGHER EDUCATION

With major reforms at academic, institutional and research levels, Sargodha University is ranked as the top 401+ Young University of the world and retained its rank at 1001+ in Times Higher Education World University Rankings 2021. The University also retained its position in the top 401-450 category of Asian universities in the QS Rankings 2020.

ACADEMIC REFORMS

- First public sector university to join China's Belt and Road Agriculture Education, Science and Technology Innovation League.
- Prioritizing synergy between industry and academia through regular outreach with local farmers, provision of citrus nursery plants across Punjab and liaison with Chamber of Commerce and Industries.
- Consolidating academics by merging and renaming overlapping faculties and departments, while non-accredited and non-productive degree programs have been closed down.
- Over 700 foreign referees from top 500 world universities have been taken on board for selecting qualified faculty and assessing advanced research.

Number of Academic Programs

RESEARCH PRODUCTIVITY

- Revamping the Office of Research, Innovation and Commercialization by providing international travel grants, creating inter-disciplinary research groups, and organizing over two dozen international and national conferences during 2019-2020.
- Accelerating research productivity through research incentives based on quality publications and SU-funded research projects worth Rs.60 million, which led to the publication of 805 research papers during 2019-2020.
- Establishing global linkages through research collaborations with several reputed international institutions, including three leading agriculture universities of China in precision agriculture, citrus and sugarcane research, and dryland agriculture.

Research Publications since 2010

Prime Minister Imran Khan and Chinese Premier Li Keqiang witness signing of MoU to establish the Confucius Institute at Sargodha University

INSTITUTIONAL DEVELOPMENT

- Pursuing development project worth over Rs.1.54 billion funded by the Higher Education Commission. The project covers the infrastructure and allied facilities for Pakistan Institute of China Studies (PICS), Multimedia Development Center, a high-tech research lab and several other development initiatives.
- Exploring CPEC opportunities through PICS, which offers various opportunities to students and researchers for academic research and exchanges between SU and Chinese universities, especially in agriculture. From Fall 2019, Chinese language classes have been started for the faculty and students. With the establishment of the fifth Confucius Institute in the country at SU, the formal launch of Chinese Studies program would be operational in Fall 2020.
- Shaping governmental policies towards quality education by shutting down five Public-Private Partnership sub-campus and curtailing the number of private colleges' affiliations from 640 in 2017 to 260 at present.
- Enhancing work efficiency through inclusive management style by devolving power to faculty heads and staff officers, and further down the line. Better service delivery through user friendly and mobile compatible website for online admissions.
- Ensuring quality education through recruiting over 300 qualified faculty members, many with PhDs and global exposure, through regular meetings of the Selection Board and Syndicate.
- Generating surplus budget through financial recoveries, and tangible growth in self-generated revenue through judicial, transparent and accountable approach.
- Engaging Alumni through SU Alumni Association in outreach and development activities, including contributions to Endowment Fund.

CHINA'S HANBAN DONATES PLAQUE OF CONFUCIUS INSTITUTE

Sargodha University received a specific plaque of the Confucius Institute from the Confucius Institute Headquarters, Hanban China, on April 29. Ms Salena Wang, the representative of Henan Normal University (HNU), China, presented the decorated plaque of the Confucius Institute to the Vice Chancellor Sargodha University.

OUR PREVENTIVE RESPONSE TO THE PANDEMIC

The University of Sargodha took several initiatives to minimize the impact of the COVID-19 pandemic upon the faculty, staff, students and community through stringent policies for quality assurance in digital education and health care facilities.

OUR PROUD ALUMNI

Sargodha University is proud of its alumni, the Falcons. We look forward to further expanding the community of our graduates playing a leading role in many walks of professional life in the country and across the world. Here are some of our most prominent Falcons:

WAZIR AGHA

Late Wazir Agha is a prominent literary figure of Pakistan and former graduate and teacher of Government College Sargodha. He has published work on literary criticism, poetry and prose. He was also editor and publisher of the literary magazine, *Auraq*.

GENERAL MOEEN UDDIN HAIDER

Alumnus of 1957-60. General Moeen uddin Haider was commissioned in Pakistan Army in 1962 in the 26th PMA Long Course. He served as Governor of Sindh from March 1997 to June 1999 and Federal Interior Minister from 1999 to 2002.

SOHAIL WARAICH

Alumnus of 1976-78. Sohail Warraich is a prominent Pakistani journalist, television host, analyst and media personality. He also enjoys good repute as an English teacher, and is a frequent visitor to the University of Sargodha.

CAMPUS LIFE

The University of Sargodha offers its students an ideal environment for academic excellence and professional growth. Life at its main campus and sub-campus is conducive for advanced studies. Students are also provided with ample social avenues to refine their personalities and skills. The University faculty and staff have affable bond with students, and the mode of learning involves both formal and informal processes. The infrastructure is very well developed with modern buildings, well-equipped classrooms and research labs, congenial hostel environment, wide pathways, green and serene parks, and first-class sports facilities. During each semester, the campus life remains abuzz with academic events such as conferences, seminars and workshops as well as co-curricular activities, including debates and other youthful activities.

SAFE AND SMART CAMPUS

Sargodha University is among the first few public sector universities where Smart University Project of the Higher Education Commission has been deployed successfully. The project has enabled us to experience an advanced WiFi Technology providing wireless coverage across the main campus, enabling the users (including students and teachers) to freely access wireless internet services both indoor and outdoor. Eduroam services are part of this project, aimed at enabling the users to freely access wireless internet services with the same credentials while visiting any other university in the country or abroad offering similar services. It ensure secure environment through Security Wing of the University, with alarms system, CCTV cameras and gated security.

WAZIR AGHA LIBRARY

Our main library, named after a prominent literary figure and SU alumnus, is known for its long history, magnificent architecture and pleasant environment. It holds a collection of 100,000 books, a number of foreign and local journals, several online full text databases of books and periodicals, a computer lab comprising 50 computers with internet connectivity and a valuable collection of 25,000 digital resources and a MARC based Library Management System.

E-RESOURCES

Besides the in-house collection of digital resources, the University Library provides online access to renowned global databases of digital content. These include access to the E-Library USA provided by the American Information Resource Centre through the Lincoln Corner situated at the Library. The HEC National Digital Library provides online access to peer-reviewed journals, databases, articles and e-books across a wide range of disciplines, including ISI Web of Science, Pro-Quest, Springer-Link, Emerald Insight and several other online databases.

LINCOLN CORNER

Our Lincoln Corner is one of the largest corners in the jurisdiction of US Consulate General Lahore. It promotes experiential and interactive learning through its diverse programming which makes it to the 'Golden Category' of the American Spaces around the world.

Our Lincoln Corner is multi-media resource centre, where visitors can connect, practice their English language, and learn about America in many different ways. It aims to strengthen people to people connection between US and Pakistan through better understanding of cultural values.

WAZIR AGHA LIBRA

STUDENT SUPPORT SERVICES

A variety of services are available to the students for comfortable and healthy living as well as educational and skillful learning.

ACCOMMODATION

The University has **ten female and four male students hostels**, providing comfortable residential facilities to more than 4,500 students. It is the only public sector university which provides hostel facility to most of the female students who apply for residence. The accommodation in each of these hostels comprises both cubicles and dormitories. Each hall contains a well-furnished dining hall, a TV lounge, a common room, a reading room, electricity generators and emergency medical facilities.

TRANSPORT

The University provides **pick and drop services** to the students within the radius of 30-km in the city and its suburbs. 25 buses and several vans comprise the fleet of university transport. Similar facilities are available to students of sub-campus.

HEALTHCARE

Our University Health Center at the main campus provides **round the clock** healthcare facilities to the students, faculty, staff and the local community. Medical consultants from Sargodha Medical College are available to take care of patients in the morning and evening. The ambulance service is available 24/7 to deal with emergency cases. The students are also provided SU's own mineral water, *Khush Aab*, at plants located on campus and in hostels.

IT LABS

Well-equipped IT labs are available in the library and most of the departments to provide **digital services** to students and researchers.

VOICE OF VARSITY

Our FM 98.2 radio station offers education and **infotainment** to students and local community.

SPORTS & CO-CURRICULAR

The University of Sargodha offers a variety of sports facilities and co-curricular opportunities to its students. It is enriched with lush green playgrounds for cricket, hockey, football, athletics and other indoor and outdoor games. The Riaz Shad Co-Curricular Forum, with over a dozen student societies, prepares the students for winning national competitions in debates and other youthful contests.

CAREER DEVELOPMENT CENTER

Career Development Center (CDC) empowers youth, builds capacity and provides career counselling through interactive sessions with professionals, and workshops. To harness work ethics and equip students with modern and updated skills required for professional life, CDC organizes various activities including Skill Development Program, On-Campus Internship Program and opens international avenues through scholarships and exchange programs.

ON-CAMPUS INTERNSHIP PROGRAM

Providing work opportunities through On-Campus Internship Program for meritorious fresh graduates and enrolled students and various international and national exchange programs.

SARGODHA UNIVERSITY INCUBATION CENTER

For providing young entrepreneurs with adequate resources and services to nurture and commercialize their innovative ideas, the University has established the Sargodha University Incubation Center. It is also providing an intense six to eight months 'Business Acceleration Program' to support passionate students to launch their own startups.

E-ROZGAAR

Two E-Rozgaar Centers, established by the Punjab Information Technology Board, are operational at our main campus and sub-campus in Bhakkar, offering online freelance business opportunities to the students.
